Dear [redacted]

STAT

I take special pleasure in informing you that you have been awarded the Career Intelligence Medal in recognition of your superb service with the Central Intelligence Agency. As you are aware, this medal is awarded only to those persons who have made an outstanding contribution to our mission. From my own experience, I can certainly vouch for the quality and value of that contribution. You should rightfully feel proud of your service with the U.S. Government. Congratulations!

The Protocol Branch will contact you to arrange for the presentation of the medal. As you know, it may take a while before the presentation can be arranged. I hope you are enjoying your retirement and taking the opportunity to do all those wonderful things that all of us look forward to after a long and successful career. Your charm and wit are missed, but we have the satisfaction of knowing that you are nearby and just a short drive away. I look forward to seeing you again in the near future.

Sincerely,

STAT
